

## Collection and Small Change Boxes

Last year the charity raised awareness and a tidy sum from collection boxes and loose change pyramids. If you would like to help us by taking one of these boxes we can make it very simple for you.

We are so pleased when people ask for a collecting box for their loose change, that we have produced a whole range.

The grande is very suitable for shops, offices, pubs, hotels and clubs and last year we received £26,445 from the contents of these.

- The medium, or more precisely, pyramid box, is ideal for the telephone table, the window sill or any discreet place at home. These raised £5,218 for us last year.
- Our petit pot, named MISTY (St Margaret's In Taunton and Yeovil) is ideal for use in schools as students and pupils can fill it with 1p or 10p or even 1 coins. These were introduced last year and raised £1,050.

For events that draw the crowds we have BUCKETS, and we collected £6,620 in these last year.

Collecting boxes are such an easy way to help us, email the [fundraising office](#) and place your order now or ring 0845 345 9671
