

Brief Art

Brief-Art 2008 is a collection of original art work, all postcard size and in a wide variety of mediums.

This is a unique opportunity to buy original art for no more than the price of a print - 25, in support of St. Margaret's. All work will be exhibited incognito - signed on the back. A list of contributors (which includes celebrities, well known artists, amateurs and students) will be displayed separately so that you must use your judgement to pick out a masterpiece.
