

### Jute 'Bag for Life'

This jute 'Bag for Life' is an environmentally friendly alternative to plastic bags, being a natural fibre - strong, durable and environmentally friendly. 100% biodegradable.

The bag is 430mm wide, 340mm high and has a 200mm gusset. There are two 40mm cotton stuffed handles.

Available in our St Margaret's Hospice shops from March 2009, you can also make a purchase online for just £2.50 plus an additional £1.50 postage and packing.

Price: £2.50  
Postage and packing: £1.50  
Total: £4.00
