

Limited Edition Prints of the Mary Stanley Maternity Hospital

Bridgwater Surveyor Jim Shattock is selling limited edition prints of the Mary Stanley Maternity Hospital to raise funds for St Margaret's. These prints are delightful souvenirs of this well-known Bridgwater institution, and would also make an unusual gift for one of the many local people born at the Hospital between 1920 and 1988.

To purchase a print, priced at £10, please contact Jim Shattock on 01278 444860. Prints are also available from Shattock Associates, 12 Castle Street, Bridgwater.
