An Edwardian Marriage

By Nina Maidment and Zoe Moulding

This beautiful collection of memorabilia was collated by the authors after finding an old wooden trunk and a faded red album containing a collection of interesting Edwardian postcards, souvenirs of their Grandparents, Elsie and George Miller.

This book shows a collection of the postcards from that album, most of which were sent before and after their marriage, on 14 November 1907 and is accompanied by some beautiful poetry from writers such as Charles Kingsley, Edward Thomas, William Wordsworth etc. Also included are some glorious recipes for Christmas fare of the day, including Somerset Stout Cake!

Proceeds from the sale of this book are being donated to St. Margaret's.
