

Introduction to Patient Services

All of our patient and family care services are provided free of charge to anyone with a palliative care need.

[How to access our services](#)

For general information and advice, or for healthcare professional referrals to all patient services, there is now only ONE number to get help:

[Patient and Carer Leaflets](#)

Leaflets about our services that you can download and print.

[Inpatient unit](#)

In this section you will find information about our inpatient services and get a feel for the lovely Hospice environment. There are two inpatient units, one in Taunton and one in Yeovil.

[Community Services](#)

St. Margaret's offers a wide range of services in people's own homes, in nursing homes, within the two district hospitals and in the community. We support patient and carers.

[Day Hospice Sunflower Centre](#)

Our Day Hospice Sunflower Centre is a place where we can provide support and advice for patients with life-limiting illnesses or advanced progressive conditions who are well enough to live at home, but would like to take advantage of the specialist support that St. Margaret's can offer. Carers are very welcome too.

[Rehabilitation and Therapies](#)

We have many ways to help alliviate difficulties for our patients. Our specialist teams offer rehabilitation, breathlessness management, occupational therapy, specialist lymphoedema treatment, and complementary therapies.

[Bereavement services](#)

We offer a range of support services for anyone bereaved by the death of someone who received our care.

[Somerset Cancer Care](#)

Somerset Cancer Care is a division of St Margaret's and works with people living with cancer, at any stage.

[Useful Website Links](#)

Website links to other organisations providing information and support to patients, carers and relatives affected by terminal illness or bereavement

[What our patients and carers say](#)

St. Margaret's receives many lovely letters from Patient's families. Here are just a few extracts...

[Your feedback](#)

It is always good to hear what we are doing well and how we can improve our services. Please let us have your comments.
