

Introduction to Patient Services

All our patient and family care services are provided free of charge to anyone with a palliative care need.

 [Inpatient unit](#)
In this section you will find information about our inpatient services and get a feel for the lovely Hospice environment. There are two inpatient units, one in Taunton and one in Yeovil.

 [Community Services](#)
St. Margaret's offers a wide range of services in people's own homes, in nursing homes, within the two district hospitals and in the community. We support patient and carers.

 [Day Care and Therapies](#)
We have many ways to help alliviate difficulties for our patients. These include offering Day Care, breathlessness management, specilaistict lymphoedema treatment and complementary therapies.

 [Bereavement services](#)
We support families and carers throughout, including the time after a patient has died.

 [Somerset Cancer Care](#)
Somerset Cancer Care is a division of St Margaret's Somerset Hospice, and works with people living with cancer, at any stage.

 [What our Patients and Carers say](#)
St. Margaret's receives many lovely letter from Patient's families. Here are just a few extracts...
