

# Organise a Fuel Lunch...

and help St. Margaret's Hospice  
Community Nurses travel to a patient in need

Did you know that St. Margaret's  
Community Nurses travel over

**65,000 miles**

in a year so local people can be cared for in  
their own homes? They work across the  
county - day and night and often have to visit  
remote locations.

*This vital service is provided entirely free of  
charge to those in need.*

**Could you support a nurse by  
holding your own Fuel Lunch to  
fund fuel for their tanks?**

*It couldn't be easier, simply invite a group of  
your friends round for lunch with the purpose  
of supporting a St. Margaret's Community  
Nurse.*

It costs approximately

**£60 each week**

to keep a nurse on the road and we hope that  
you can find ways, through your own Fuel  
Lunch, to raise this amount.

*Download posters, special invitations and an  
information pack for your event from:  
[www.st-margarets-hospice.org.uk](http://www.st-margarets-hospice.org.uk)*

**Alternatively call:**

**0845 345 9671**
