

Planning your Fuel Lunch?

Handy hints:

1. Make a list of all the people you would like to invite - you can choose to make this a select group or put lots of invites out.
2. Fill in and send out Fuel Lunch invitation cards.
3. Give those that you have invited about a week to respond and then perhaps make a reminder phone call.
4. When you get a 'yes' ask them how they might help you to raise money on the day. Why not invite them to donate a cake or something for a raffle?
5. Get your guests involved. Can they help with the catering?
6. On the day, have a raffle, a cake sale, even a treasure hunt round your garden, anything that will help fill a tank for one of our nurses.
7. We can provide information about our Community Nurses to help you fundraise.
8. At the end of the lunch perhaps suggest that someone else could do another lunch at their house next month?
9. Get in touch with the Fundraising Office and let them know how your lunch has gone or if you need some advice or ideas.

Please accept our thanks for supporting the work of St. Margaret's Hospice

St. Margaret's
HOSPICE

Did you know that
St. Margaret's
Community Nurses
travel over
65,000 MILES
in a year so people
can be cared for
in their own
homes?

Organise a Fuel Lunch...

**and help St. Margaret's Hospice
Community Nurses travel to a patient in need**

Did you know?

☀ St. Margaret's Hospice Community Nurses work in homes right across the county providing specialist palliative care - care that would not be available otherwise.

☀ Our Community Nurse service is open to anyone with a life-limiting illness, not just those with a cancer diagnosis.

☀ We also support the family and carers of those we treat through often very difficult times.

This vital service is provided entirely free of charge to those who need it.

St. Margaret's Community Nurses travel many miles each week, often at night and sometimes to remote locations.

Could you support them by holding your own Fuel Lunch to put fuel in their tanks?

What is a Fuel Lunch?

Organising a fuel lunch could not be easier, it's just about inviting a group of your friends round for lunch with the purpose of supporting our St. Margaret's Community Nurses.

We calculate that it costs approximately £60 each week to keep a community nurse on the road. We hope that through holding a Fuel Lunch you will be able to raise this amount to fund one of our nurses fuel for a week.

We have prepared invitations which you can use to send to your friends meaning all you have to do is write your date on them, drop them in an envelope and post them.

There are also lots of fundraising ideas too to help you and your friends raise as much money as you can whilst having lunch. These ideas range from holding a raffle, to all your guests coming on foot and donating what they would have spent on travel!

Get your friends together for lunch whilst helping to keep one of our nurses on the road. Who knows, one of your friends might choose to hold their own Fuel Lunch next time?

Thank you in advance for supporting your hospice, and we hope you have a fantastic Fuel Lunch!

Just £60 will keep one of our Community Nurses on the road for a week
