

Dispelling the Myths

Sometimes people get the wrong impression about what a hospice is all about. It is important to us to dispel the myths about the care that we provide.

MYTH - Hospices are gloomy places.

MYTH - Only patients suffering with cancer are cared for by St. Margaret's.

[More »](#)

MYTH: People only go to stay in St. Margaret's when they are about to die.

[More »](#)

MYTH - St. Margaret's receives all its income from the government

[More »](#)

MYTH - St. Margaret's Hospice delivers care solely from the hospices.

[More »](#)

MYTH - St. Margaret's Somerset Hospice is part of the Macmillan cancer charity

[More »](#)

MYTHS - St. Margaret's care is only available to patients with private health insurance policies
