

St. Margaret's Unwrapped!

A gift to the community - from the community

The people of this community have rallied round and together bought themselves a gift that will ensure that their friends, family and neighbours will have greater dignity, more choice and a better quality of life should they be unfortunate enough to have a life-limiting illness.

You are invited to view that gift as we unwrap it to the business community.

To confirm your attendance at one of the breakfast unwrappings please select your preferred date and enter your name and address confirming any special dietary requirements you may have.

Thank you.

Date I wish to attend: *
 Wednesday 13 February
 Thursday 21 February
